

V.I.A.A. GROUP

A holding company focused
on buying accounting/tax
firms in Las Vegas.

More about me

- **Years of Experience:** I've spent two years in the tax industry, learning the ins and outs and truly finding my passion for it. It's been a rewarding journey, and I'm excited to continue growing in this field.
- **Entrepreneur at Heart:** Growing up in an entrepreneurial environment, I've always been inspired to create something meaningful. Owning a tax/accounting practice and build a track record of continuous acquisitions is my goal because I know this is where I can make the biggest impact.
- **Customer-First Mindset:** I believe in putting people at the center of everything I do. My goal is to build genuine connections with clients and help them feel valued and heard every step of the way.
- **Love for the Outdoors:** When I'm not in the office, you'll find me outdoors, hiking or enjoying a good game of contact sports.
- **Rooted in Peru:** I'm proud to be born and raised in Peru. My cultural background has shaped me into someone who values hard work, creativity, and a global perspective, which I carry into everything I do.

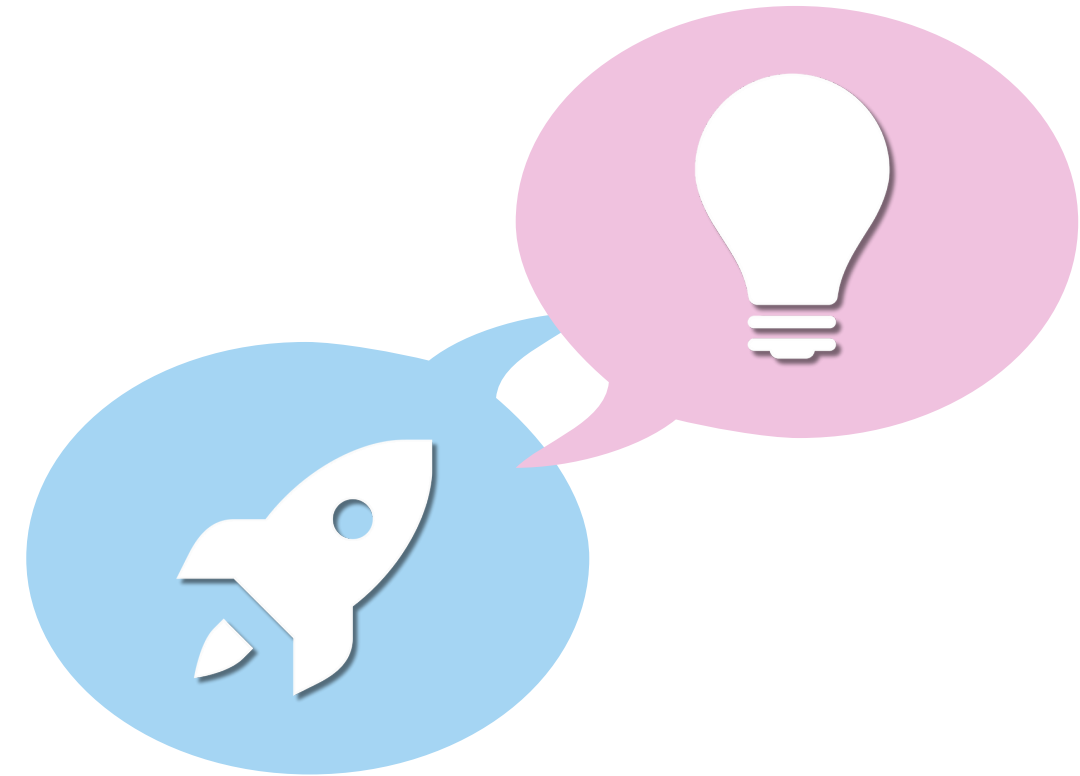

Company's Values

- **Customer centricity**
- **Integrity**
- **Expansion**
- **High standards**

Company's Mission & Vision

- **Mission** Our goal is not just to succeed but to lead, setting new benchmarks in value creation, client retention, and culture incorporation.
- **Vision** Our vision is to acquire and elevate tax and accounting firms, creating value, client awareness, and fair, transparent services while fostering a high-performance, positive workplace.
